

PNWD Banner Details

You may have heard about [Standing on the Side of Love](#), a public advocacy campaign sponsored by the UUA, promoting respect for the inherent worth and dignity of every person. The slogan has been used effectively in describing the UUA's challenges to exclusive marriage policies. But the intent is to build on that success to include a broad range of arenas where people are excluded, oppressed or attacked based on real or perceived identities.

To promote this campaign, the Pacific Northwest District office has purchased a "Standing on the Side of Love" [banner](#). This horizontal 4' x 12' banner can be hung for display or carried in a parade or march. If your congregation would like to borrow this banner, contact the [district office](#) to be added to the queue. If you need it for a specific date, please let us know.

The banner is not housed at or shipped to/from the district office. Each congregation borrowing the banner ships it directly to the next group requesting. Contact name and shipping address will need to be given directly to the shipping congregation. Please contact the [district office](#) when you have shipped the banner to the next congregation in line so we can keep the list current.

There is no fee to our congregations for borrowing this banner! The only expense you will incur is for shipping to the next congregation.

You may also [purchase your own banner](#) for long-term display.

Be sure to share your stories, photos, video and other publicity at the [Standing on the Side of Love](#) website.
