### **Breathe new life into your congregation's stewardship!**

This workshop is for those looking to learn more or who are new to the stewardship process.

This Saturday workshop will cover:

- ✚ What motivates people to give
- ✚ How to get your members comfortable with talking about financial commitments, different options for the annual budget drive
- ✚ Tools to educate and motivate your congregation
- ✚ Year-round stewardship methods and how to plan well for success

The sessions will be a combination of presentation, exercises (fun ones that don't make your muscles hurt) as well as time for questions and answers. Come, participate and return to your church community with ideas and tools to ramp up the funding for your mission and vision!
